

Radiant Power Corp & Dukane Seacom Inc Exhibiting at NBAA 2015

SARASOTA, FL – October 26, 2015, Radiant Power Corp and Dukane Seacom Inc. are exhibiting at the National Business Aviation Association – Business Aviation Convention & Exhibition NBAA 2015 on Oct 17-19 in Las Vegas, Nevada.

Radiant Power Corp and Dukane Seacom Inc. (RPC/DS) will exhibit at the upcoming 2015 NBAA marking over 10 years of consecutive participation in the convention and exhibition. NBAA brings together over 26,000 key aviation contacts from around the world, including current and prospective business aircraft owners, manufacturers and customers into one meeting place. <https://www.nbaa.org/events/bace/2015/>

RPC/DS will feature current and new products. These include our industry leading emergency power supplies and power management products, as well as wireless passenger interface products for the ultramodern business jet cabins. Additionally showcased will be the new 90-day underwater locator beacon and RPC's innovative solid state power distribution system.

RPC/DS will also offer an advanced look the next generation Emergency Locator Transmitter (ELT) product. Currently in qualification, RPC's ELT will comply with upcoming regulatory requirements bringing additional position location capabilities to today's aviation market.

For additional information or to setup a meeting at the convention, please contact Mike Paulsen or Samir Purohit (see below).
